Daphne and Janice- I filed the attached on Monday and served same on the parties. As you can see, Mr. Hanson's rebuttal had three exhibits attached thereto.

For some reason, (and I have not been able to figure out why this only happens when I efile something in the DMS), the version of that testimony posted in the DMS does not have the attachments.

Can you replace what is in the DMS with what I have attached here?

My apologies that it happened again (it does not happen each time I have attachments, which makes this all the more infuriating).

Thanks for your help!

Jack P.
